

Knowledge Center For Your Company Intranet

myStockOptions.com

License our Knowledge Center to strengthen your stock plan communications and education

The **Knowledge Center**, with our premium content, can be seamlessly built right into your site. Updates and additions appear automatically. No user sign-in is required. Companies, brokerage firms, and stock plan service providers are enhancing their websites with our independent and unbiased expertise:

- Unique **engaging articles**
- **700+ FAQs**
- **Tax Center** on reporting & filing
- **Podcasts** and interactive **quizzes**
- **Global Tax Guide**
- **Glossary**

- **Help** employees make smarter decisions, prevent tax mistakes, and appreciate the value of their stock options, restricted stock/RSUs, SARs, ESPPs, and performance shares.

- **Cut** the time and expense of answering questions, holding employee meetings, and distributing paper materials.

- **Integrate** our trusted educational content into your company's HR, benefits, or compensation portal.

- **Select** all or some of our content.

For information on our Knowledge Center product and its pricing, please call 617-734-1979 or email info@myStockOptions.com.
